Dear Dalton Families,

Redesign Schools Louisiana's School Board is required by both Federal law and the Louisiana School Accountability Program to develop and maintain a *Public School Choice* policy for any school with a *School Performance Score (SPS)* below levels set by the Board of Elementary and Secondary Education (BESE). *School Choice* allows eligible students to transfer to an academically acceptable school. Dalton Elementary is eligible for *School Choice*.

Purpose of Title I, Part A – School Choice: To offer families in schools that have not met state targets for improving the achievement of all students the chance to transfer their children to other public schools that have met state targets in the same district. Students will be allowed to remain at the school of choice through the last grade.

A school-site utilization was conducted as needed in all schools to determine the extent to which capacity exists in order to possibly accommodate students from schools offering choice, including students with special needs and/or students with disabilities. Only those schools that are labeled *academically acceptable* shall be considered eligible to receive students. Lanier Elementary has been labeled *academically acceptable*.

Your child is eligible to enroll at Lanier Elementary. However, if you are satisfied with Dalton Elementary, your child may remain at Dalton Elementary. Transportation will be provided for families who reside within the Boundaries of the East Baton Rouge Parish School System to Lanier Elementary.

Please contact the school at 225-357-0244 if interested in this program.
